MEMORANDUM FOR THE RECORD

Morning Meeting of 26 February 1965

25X1 There was a current intelligence briefing. DCI was given
25X1 a memo [redacted]
25X1 pointed out this did not include a review of the [redacted]
25X1 statements and briefings.

25X1 DDP noted reports on the Middle East, Chinese influence in
25X1 Mali, and the serious condition of an Agency employee [redacted]

25X1 [redacted] DDS&T noted that 1017 was o.k. through rev.12.
25X1 He was requested to prepare a status report on OXCART for the
25X1 DCI's information before close of business today.

25X1 John Bross raised the question of a permanent chairman of
25X1 the USIB Technical Surveillance Subcommittee. He was advised to
25X1 proceed with spade work [redacted]

25X1 Houston noted that Representative Lipscomb would be in
25X1 Langley on 1 March, and that Representative Bates would be briefed
25X1 on 2 March.

25X1 Mr. Kirkpatrick discussed the Bureau of Budget message on
25X1 average salary scales comparing the Agency with other government
25X1 components, and indicated that discussions were underway with the
25X1 Bureau of Budget to seek release from this ceiling. He noted Bob
25X1 Amory is to be named to the Federal Tariff Commission. Somehow
25X1 this led to a discussion of shipping -- there was much authoritative
25X1 opinion expressed.

25X1 General Carter noted that General Blanchard, Vice Chief of
25X1 Staff for the Air Force, had been much impressed by his visit to
25X1 Langley and suggested that the DCI might wish to arrange such a
25X1 presentation for all chiefs of the services and the Joint Chiefs.

25X1

DCI directed that all necessary steps be taken to provide adequate medical care

DCI described his meetings with Secretary Rusk and the President on 25 February. (This is the subject of a separate memo which has been sent to DDP for follow-up action.)
